

### NEIGHBOUR NOTICE

### TEMPORARY TRAFFIC LIGHTS

Balfour Beatty is currently constructing the A9/A85 Junction Improvement and Link Road to Bertha Park scheme on behalf of the Council. This project includes construction of a new A9 junction with slip roads, a new link road to Bertha Park and a new junction on the A85.

In order to undertake traffic management and survey works required to facilitate the scheme safely, it is necessary to close the South Bound On and Off Slip roads that lead to and from Newhouse roundabout on the A85. This work will take place during nightshift (2100hrs to 0500hrs) on the 8/2/18 for 1 night only. The section of road affected is shown below:

Perth and Kinross Council and Balfour Beatty apologise for any inconvenience caused during these times.

Details of the proposals and the associated works can be viewed on the project website at [www.perthtransportfutures.co.uk](http://www.perthtransportfutures.co.uk).
